

## Way to go Work Crew!

**THANK-YOU** to all that helped out today. Things are looking really good around the range and we're ready for snow!

A special thanks to Thomas and Alex for rebuilding the old warped mat tables, cleaning out the mat shed and generally cleaning up. The Mclvor award goes to Jeff ,Rob and Steve for rebuilding/restoring the heavily dead-fall damaged and twisted storage shed. Karmen, Findlay and Tate for sweeping up the range and transporting signage. John for signage removal and clean-up. Murray/Rob/Colton for cleaning the fort. Andrew/Colton/Rory for sign mounting, clean-up and doing a dump run. And so much more - it was a great day!
