

Tree Planting Opportunity

Author : Andrew Hay

Date : May 22, 2018

It's that time of year again - time to put a few trees in the ground and raise some funds for Telemark Biathlon!

If you can come out and help, please sign up for tree planting shifts this weekend (Sat and Sunday May 26/27th). You will be giving back to your team (much needed fundraising dollars) and to your planet. The experience also looks good on a job resume!

[Click here to sign up.](#)

Directions to the Jack Pine Road tree-planting block to follow (close to Telemark). No experience necessary and you will be given instructions at the site. It is a fun way to spend a morning or afternoon doing something quite different from the usual weekend chores.
