

Telemark goes to Washington - Son of a Gun Expedition!

After years of being invited, but never having the same schedule or correct US rifle permits, we finally accepted Betsy Devin-Smith's invitation to compete at scenic Methow Valley in Washington.

Members of the Telemark Biathlon Program enjoyed a weekend of skiing through some amazing trails and beautiful vistas. The Biathlon range, located at the Liberty Bell High School in Winthrop certainly did not disappoint. We even brought home some new hardware from the annual Son of a Gun race: Timur 1st, Alex 3rd, Oliver 1st, Kira 2nd and Steve 2nd. Thank you Betsy and the whole Methow gang for hosting us! We hope to be back there next year!

Nice form Oliver!

Like coiled springs being released. Kira exploding out of the start gate. Oliver on deck.

Pure grit. Go Tamiris!
